

## **North River Commission Members Needed**

### **Commissioner Job Description**

Represent your town on a regional Commission, consisting of representatives from Hanover, Hanson, Marshfield, Norwell, Pembroke and Scituate. Each town includes a primary and an alternate member whose purpose is to administer the Scenic and Recreational River Protective Order for the North River, the only river in Massachusetts protected by such legislation.

Responsibilities include:

1. Managing and carrying out the Protective Order.
2. Reviewing applications and issuing determinations of whether a proposed activity is an allowed use, special permitted use, or prohibited use.
3. Investigating any alleged violations of the Protective Order.
4. Answering questions about the Protective Order and explaining the Order to residents.
5. Attend once monthly evening meeting.

The position is voluntary and without compensation.

We are currently seeking a member from the town of **Marshfield**.

If you are interested, please contact your Board of Selectmen for a nomination to the Commission.
