1. With this application, a site plan must be submitted which includes the following information:
 - * All structures on said area including garages, walls, etc..
 - * Natural Bank labeled as such.
 - * Length of river frontage as measured at the Natural Bank
(if no river frontage, see Section 8 of the Protective Order).
 - * 100 foot setback line from the Natural Bank.
 - * 300 foot Corridor line.
 - * 75 foot setback for driveways.
 - * Length of structure(s) parallel to the river.
 - * Setback of structure(s) from the Natural Bank.

NO APPLICATION WILL BE ACCEPTED UNLESS ALL INFORMATION IS COMPLETE.

2. Architectural plans of the house are desirable and should show an elevation from the river side. On 11/7/84 the Commission voted that height of a building shall be measured from the lowest grade to the highest point as visible from the river.

3. Additional information may be required upon review by the Commission.
